Contact Details If you change address or telephone numbers please remember to let the school office know.

Medicines in School Just a reminder that we are only allowed to administer medicines that are prescribed by a doctor 4 times a day. Please do not send children with medicines to school. Parents must complete a form at the school office and give the medicine to a member of the admin team. Thank you.

Y5 Bikeability November 12th Bikeability is today's cycle training programme. It's like cycling proficiency, but better! It's about gaining practical skills and understanding how to cycle on today's roads. Bikeability gives everyone the skills and confidence for all kinds of cycling. Year 5 children will have received a letter with further information.

Friday Free Table We are often given donations of good quality clothing and other items. Families are welcome to help themselves to items which are placed on the Friday Free table on the main playground.

Thank you Beanstalk Ladies We are fortunate to have two ladies called Ann and Liz, from Beanstalk. Beanstalk is a charity that supports schools in providing trained volunteers to read with children. The ladies are volunteers but receive travel costs which they have very kindly donated to school to buy resources for our newly opened Pre-school. We are very lucky to have such good friends at our school.

Children in Need Day—Friday 16th November 2018

We are going to raise awareness and have some fun whilst we think of others this Children in Need day. Children will enjoy an inflatable Jungle Run. We know that people give to charity throughout the year in many ways and as we are trying very hard to limit the costs on parents when sending children to school, there is no need for children to bring money to school for this event.
