

**Monday 13th July**

## **English**

Today we will be looking at onomatopoeia, also known as sound words! It should be quite fun. These words are great to use in poetry.

Once you have watched the video and done the activities on the webpage, click on the link '**English Monday**' and complete the work.

## **Geography**

We are going to do some work on Oceans today. Can you name them all? Do you know where they are?

Click on the link to learn about our Earth's oceans and then complete the activity '**Geography Oceans**'

<https://www.bbc.co.uk/bitesize/articles/z6scf82>

If you want to explore some more use Google Earth to explore more of our oceans.

*Challenge!*

*Can you find out which animals live in which ocean? Do they live in more than one?*
