**Message from the staff:**

Hello everyone and welcome to Nursery! It is good to see some familiar faces and lots of new faces too. We can't wait to settle in and begin our learning adventure together. Our days will be filled with lots of fun and exciting things to learn and do.

From

- Miss Greensmith (Teacher)**
- Mrs Hussain (Teaching Assistant)**
- Mrs Raynor (Teaching Assistant)**
- Mrs Rashid (Teaching Assistant)**

**Keeping Healthy and safe**

**Handwashing:** Children are asked to wash their hands when they come to school and regularly throughout the schools day.

**Water bottles:** Children need to bring a water bottle to nursery. They will take it home to be washed and refilled daily.

**Learning**

**What we are learning:**

Our first class topic is 'All About Me' where we will learn all about our bodies, our families and things we like and dislike. We will learn the routines of the day and how to become more independent.

**Reading books:**

Children learn better, speak better and interact better when they read and share books with others. We encourage lots of reading in Nursery with class story time and group story sessions. If you could support this learning at home by reading with your child and allowing your child to read to you that would be great!

**How parents can help:**

We encourage all pupils to be independent so if you could practice daily tasks such as getting dressed and undressed, taking coats off and on, fastening shoes etc that will really help them in school.

Also providing as many opportunities for children to talk and express themselves is great too!
