Message from the teacher..

We are thrilled with what a lovely, settled beginning the children have had to starting their school year in Reception. In The children tell me they are enjoying making new friends , playing outside and the school dinners!

Keeping Healthy and Safe

Handwashing:

Children are asked to wash their hands when they come to school and regularly throughout the school day.

Water bottles:

Water bottles are provided for each child in Reception. These are clearly labelled with their name and they are cleaned and freshly filled each day. Therefore, bottles from home are not required. Thank you.
