Message from the staff

Welcome to Year 1. In your class this year you I am your teacher (Miss Abulafia) and Miss Spearing is our teaching assistant. We will be learning lots of new and exciting things this year!

We are so very pleased with how sensible you all are. Well done for being so kind to each other.

We look forward to watching you grow and learn!

Keeping Healthy and safe

Handwashing: Children are asked to wash their hands when they come to school and regularly throughout the schools day.

Water bottles: Children may bring a water bottle to school. They will take it home to be washed and refilled daily.

Learning

This half term we are learning all about seasonal changes and how the park changes over time. We will be continuing our phonics in preparation for the phonics screening in Summer term. In English we will be writing scary suspense stories.

We will do PE on a **Tuesday** and a **Wednesday**, your children have PE kits in school. **Please** some PE shoes.

Reading books — your child will be bringing home **3 books** each week. They will have 2 phonics based books to read and 1 book for you to share at home with your child. Your child's book will be **changed once a week** (these dates will vary). Please read with your child **every night** and make a note in your child's reading record.

Homework — your child will be given spellings every Monday and will be tested on these the following week. Please practice these at home with your child.

How you can help - Please bring a named water bottle and coat every day to school. Please label all items of clothing, including your child's uniform and PE kit.
