Message from the staff

Welcome to Year. I hope everybody has had a great first week back. My name is Miss Meynell and I will be your teacher this year. Also working in our class is Miss Lawrence and we have Miss Williams with us until the end of this term. We will be learning lots of new and exciting things together this year and we look forward to watching you grow and learn!

Keeping Healthy and safe

Handwashing: Children are asked to wash their hands when they come to school and regularly throughout the schools day.

Water bottles: Children may bring a water bottle to school. They will take it home to be washed and refilled daily.

Learning

This half term we are learning all about changes in the season from summer to autumn and how the park changes over time. We will be continuing our phonics in preparation for the phonics screening in summer term. In English we will be writing scary stories and writing a letter.

We will have PE on a Wednesday and a Thursday. Children can bring in their own PE kits and PE shoes. These will be put in a named bag on their pegs.

Reading books

Your child will bring home 3 books each week. They will have 2 phonics based books to read and 1 book for you to share at home with your child. Your child's book will be changed once a week after they have read with you. Please read with your child every night and make a note in your child's reading record.

Homework

Your child will be given spellings to learn at home every Monday and will be tested on these the following week. Please practice these at home with your child.

How you can help

Please bring a named water bottle and coat every day to school. Please label all items of clothing, including your child's uniform and PE kit.
