Message from the staff

Thank you to parents and carers for your support with reading and using See Saw with your child, this is making such a positive difference and helping us develop a real love of learning with the children.

If you would like to help your child with their maths please count with them and if you could help them spot 3D shapes around the home such as cylinders, cubes, spheres and cuboids, that would be very helpful.

Many thanks Mis Abulafia, Miss Spearing, Mrs Watson

Looking back on our first half term...

This half term we will be learning...

How have toys changed or stayed the same through time?

This topic excites children, they have lots to contribute already and we are able to draw on experiences of families.

Please talk to your child about the toys and games you played when a child.

If you follow the link [HERE](#) to our website, you can view the detailed overview of learning.

We are getting to know the stories and poems by Michael Rosen and will be listening to the old favourite story, Pinocchio and writing our own Pinocchio stories. [HERE](#) is a You Tube clip to meet Pinocchio.

Listen to Michael Rosen [HERE](#) reading Going on a Bear Hunt.

School Lunch

Just a reminder that the school lunch menu can be viewed on our school website [HERE](#) should you want to talk to your child about their food choices each day.
