Spring 2

Message from the staff...

Hello everyone! All the staff in Year Two are hoping that you had a restful half term. You have all been working so hard and we have loved seeing all your wonderful work on See-saw. Thank you to all the grow ups that have been supporting you at home.

Looking back on our first half term...

This half term we will find out...

Where is our town in our country and where is our country in the UK?

This term is all about the United Kingdom. We have spent a lot of time learning the names of the four countries that make up the United Kingdom and the names of the surrounding seas. We have also learnt about our capital city - London.

This half term we will be learning about the different human and physical features we might find in the countries of the United Kingdom like mountains, rivers and castles! We will also be learning where Middlesbrough is on a map of the United Kingdom.

In History, we will look at transport now and in the past. We will learn about George Stephenson and the importance of the railway.

Everyone is looking forward to welcoming you back to school soon. If you have any questions or concerns please get in touch with your child's class teacher using the email address at the top of the newsletter.
