June 2021

Dear Children, Parents/Carers

It is lovely to be back after the holiday and we are looking forward to our final six weeks of the school year. Let's hope the warmer weather lasts for some time to come. In warmer weather children do often take their jumpers and cardigans off when they are outside. Please can you help us by making sure all items of uniform are named so they are easily reunited with their owner. Thank you.

#### **COVID Updates**

We continue to operate our COVID safety measures in and around school so please can I ask for your continued support with the following:

- Children should stay at home if anyone in your household has symptoms of Coronavirus, is going for a test or awaiting test results. Please inform us and we will advise you of school protocol.
- Once test results have been received, please inform us of the outcome before sending your child back into school. If you do receive a positive test result – please contact the school as soon as possible. Alerting school to any positive test results at the earliest opportunity is essential as we have procedures to follow which may impact on children and staff.
- If someone tests positive for Covid 19 in your household, all other people living in the home must isolate.
- Please wear a face covering around the school site.
- Please observe social distancing as much as possible when dropping off and collecting children; please do not congregate and move off site as quickly as possible.

Whilst we are all hopeful that we are moving out of restrictions, cases are clearly still occurring and have impacted schools on Teesside as recently as just before half term. We have very much appreciated your help, support and understanding as we have had to operate differently and like you, hope it is not for too much longer. Thank you once again for the tremendous support, your cooperation and with Covid-19 safety measures is much appreciated. Mrs Smith

### **School Attendance**

After so much disruption, thank you to families for supporting good school attendance. Please know our Education Welfare Officer, Mrs Cartwright, is able to support, her job is to:

- promote good attendance and reduce absence, including persistent absence.
- act early to help address any patterns of absence.
- support parents to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

Congratulations to Addison for his amazing sporting achievements in the Karting championships.

Emily, unbelievably managed 228 hula hoops all in one go and James did his 100 jumps on the trampoline!
