### Online Gaming: An introduction for parents and carers

It is essential that children are aware of the potential issues when gaming online and that they are given the skills and knowledge to help manage and reduce these risks, with the help of those around them. Please click [here](#) to find out more.

### Peer Review

We welcomed senior colleagues from four other primary schools to review our approach to writing across school. The feedback report was extremely positive. The team commented on a consistent approach to teaching of writing, happy, hardworking children who are keen to talk about their work. A lovely warm environment where relationships are really positive. Thank you to staff, children and families for all you do to make Breckon Hill a great place to work learn and work.

### Educational Welfare officer

Mrs Anne-Marie Cartwright is our Education Welfare Officer. Mrs Cartwright helps us to make sure that our attendance and punctuality is the very best it can be for all children so they have the very best chances of achieving their full potential

If your child's attendance or punctuality is less than good, then Mrs Cartwright will be contacting you to see what support is needed and explain the legal requirements around attendance.

## Parliament Week

The children have been busy in school learning about democracy. It was great that our local MP Mr Andy MacDonald and our local councillor and school governor, Matthew Storey, were able to come into school and meet with some children. It is wonderful that they are able to give our children time to learn about how our country governs. One child asked Mr MacDonald to see what he could do about organising an extra day holiday, as it turns out, due to the queen's platinum jubilee next year, his wish has been granted!

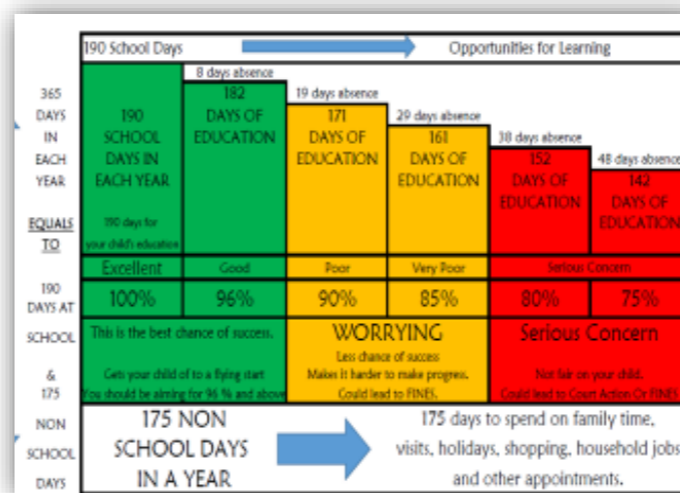

## Beat the Street

Our school finished 22 out of 40! Well done everyone and thank you for getting involved.

A special well done to Zakariya Ayoub in Y2 who won a special prize for his determination to visit all the boxes and share their locations with friends. Well done Zakariya.

## Breckon Hill Primary School Newsletter

01642 243044 [breckonhillprimary.co.uk](http://breckonhillprimary.co.uk) December 2021

Dear Parents, Carers and Children,

Here we are at the end of another year, I would like to thank everyone for their continued support to ensure children get the best out of school life.

I would like to give a special thanks to Mrs Hall who will be retiring at the end of the term. Mrs Hall has worked at our school for an amazing 34 years! Her wonderful support for children is very much appreciated. We will all miss Mrs Hall and hope she will remain a friend to us. Many thanks and every good wish for a long and happy retirement from us all at Breckon Hill.

We also wish Miss Gates all the very best as she starts her maternity leave this month.

## End of Term Treats

Each class have been working hard with their attendance and saving to choose their own end of term treat, I am sure they will have been sharing their progress with you. Every time a class reaches 96% or above they earn £10, any less they earn their attendance amount in pennies eg 94%=94p.

Individual attendance awards will also be presented. Every half term there is a new medal with a coloured ribbon to collect. How many of them are you able to collect this year?

The children will be receiving a gift of a book of their choice from school and a selection box from the Teesside Family Foundation Charity.

Mr Michael Poole, a Trustee of the charity is also a governor here at Breckon Hill.

Thank you to all at The Teesside Family Foundation

## Kingswood Residential Y6

Year 6 children were invited to a residential experience last month. 82 children had a great time trying new adventures such as abseiling, climbing, archery and much more. We were really impressed with the excellent effort and teamwork from the children. A big thanks to staff who accompanied the children. A great time was had by all!
