Spring 1

Message from the staff...

Thank you for your good wishes before the holidays, a Happy New Year to you all. Thank you for your continued support with your children’s learning at home. Our home-work platform, See Saw, is showing some excellent work. Well done children and then you parents for supporting.

Parenting Tip

As you child reads with more fluency (speed, accuracy, and expressiveness) they will be able to have more in-depth discussions about books. Please ask them about their thoughts and opinions about the books they read.

This half term we will finding out...

What was important about The Great Fire of London?

This half-term we will be looking back through time to the year 1666 when a fire broke out in a bakery on Pudding Lane in London a little after mid-night, and eventually spread across most of the city. We will be learning what happened and finding out how it changed the way houses were built and towns were planned. We will be learning about a man called Samuel Peyps who lived at that time and how his eye-witness account means we know what happened a long time ago. Click [HERE](#) to learn more.

If you follow the link [HERE](#) to our website, you can view the overview of learning.

We are getting to know the stories and poems by Jill Murphy.

In Science we will be learning about the uses of everyday materials. Click [HERE](#) to learn more on the BBC website.

February 8th is Safer Internet day. Click [HERE](#) to go to our school web-
