A message from the staff...

Happy New year and welcome back to school. We are looking forward to this term. We want to thank families for supporting learning on SeeSaw and for regularly reading with your child at home. We very much appreciate your support.

Parenting Tip

Let your child use their budding problem-solving skills to tackle some of the challenges they encounter on their own.

Ask them to think about things they need to do for themselves, collect their things, tidy up after themselves, carry their own bags, remember to do their homework.

This half term we will be learning...

What did the Greeks do for us?

We are moving in chronological order along the historical timeline. We are going to find out how the Ancient Greeks lived and have influenced the Modern World. Even after 3,000 years, we're still using ancient Greek ideas in maths, science and art.

Our alphabet is based on the Greek one. Check a dictionary and you'll find hundreds of words that come from the Greek language. Click [HERE](#).

We are getting to know the stories by David Litchfield. Click [HERE](#) to find out more.

In Science we will be learning all about Plants. Click [HERE](#) to learn more on the BBC website. In French we will be learning all about the classroom.

February 8th is Safer Internet day. Click [HERE](#) to go to our school website and find out more
