

Look what's going on in school...

Parents' Evening 14th March / 23rd March

Please look out for the letter to sign up for an appointment in person or over School Cloud to talk to your child's teacher about their progress.

Parents Evening

Global Recycling Day 18th March 2022

A day to recognize and celebrate the importance recycling plays in preserving our precious resources and looking after our planet.

The Great Big School Clean Easter Litter Hunt

We have signed our school up to the BIG SCHOOL CLEAN with the potential to win funding for additional resources. The event is a fun way to introduce some of the key facts children should be aware of that lead to an unhealthy environment.

Show Racism The Red Card

We continue to make certain all children have a better understanding of racism and how it impacts on individuals and society. We want them to have an awareness of the responsibility to challenge racism and how this can be done and a better understanding of appropriate/inappropriate terminology relating to ethnicity. Last half term our Y5 children took part in workshops and more classes will continue to take part in this important learning throughout the year.

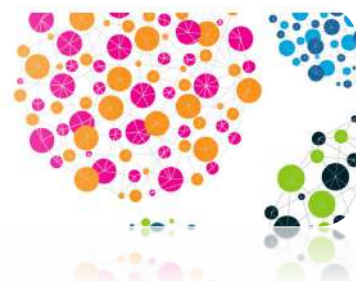

Learning Maths is Fun!

We are introducing children to fun, interactive songs and presentations, to improve their retention and comprehension of key maths learning. We want children to apply mathematics to the real-world scenarios. Our aim is to make each maths lesson engaging and meaningful. Ask your child more about their maths!

11-20 March
British Science Week 2022

Teachers are already planning a great science week in school. This week the theme is GROWING. We can't wait to find out what this means for every class!

History Workshop Young'uns Year 5

As part of our Champion Heritage School status, classes took part in a workshop: When Champion Schools Sing. It involved working with a Folk Group from Stockton called the 'Young'uns'. The children created a song that celebrates our school's local heritage.

School Uniform Please

Please remember we ask children to wear black school trousers not jeans, jogging suit bottoms or leggings. If you need help with uniform, please let us know.

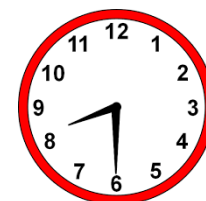

Uniform relieves pressure to wear designer brands and supports us in fostering a sense of belonging to our school family. We make sure all ours can be bought from local supermarkets.

Amanda Buck at the Community Centre is also able to support with pre-loved uniform should you want any additional items.

March 2022

Dear Families

We have lots to celebrate and be proud of, despite the many challenges all schools are facing, we have continued to work hard to make the most of every day for every child. We are very pleased to have welcomed new children this term. I want to thank you all for your continued support and please remember we are always here to help wherever we can, do not hesitate to contact us should you need to. Kind regards, Mrs Smith

Inclusion Quality Mark

We are proud that our inclusive ethos has been recognised. Not only have we achieved the Inclusion Quality mark, we have been recommended as a Centre of Excellence for Inclusion! The following is a snippet from the full report which can be read on our school website:

"Diversity is celebrated across the school through displays, the curriculum, the representations in books and resources, and across the general culture. The school provides a safe, nurturing environment where staff and pupils show tolerance and understanding of others, supported adeptly by the Philosophy for Children (P4C) work, school of sanctuary, rights respecting, and pupil parliament work. All the excellent inclusive practice is not an add-on or gimmick, it is a fully embedded way of working, interacting and simply being."

World Book Day 2022

We will be talking about books, reading and creating a fun reading atmosphere in the classroom on World Book Day. Class teachers will be organising activities with prizes during the day.

Mrs Price organised for everyone to receive a book from Tesco. THANK YOU Tesco Coulby Newham and thank you Mrs Price.

As part of our continued commitment to make sure that there are no extra costs in bringing your child to school, we ask that children DO NOT dress up.

Trim Trails

We hope children are enjoying the new trim trails installed recently!
