Autumn 2

A message from the staff

Hello again to all our families. We have a busy half term ahead. We will need everyone to be asking lots of questions and share their thoughts on some kings and queens in history!

Thank you to parents for encouraging children to read every night and for checking that children are learning their tables, this really helps with their maths class work. Miss Brown, Mrs McLean, Miss Nichols, Miss Ivory-Kernan

## This half term we will be learning...

Looking back on our first half term...

### Were the Tudors terrific or terrible?

Children are building on knowledge of understanding of history building. During 118 years of Tudor rule, England became richer than ever before. As the country became wealthier, towns grew, houses were built and schools and colleges were set up. Arts and crafts flourished too and England became home to great painters, writers and musicians, but life was life great for everyone?

If you follow the link [HERE](#) to our website, you can view the detailed overview of learning.

We are getting to know the stories by Anthony Browne which help us in developing our own ideas for stories and we are reading longer stories in class story time. [HERE](#) is a video of the story Through the Magic Mirror. Find out more about the author [HERE](#).

Find out more about the our science topic, Materials, by clicking [HERE](#) to learn more on the BBC website.

### School Lunch

Just a reminder that the school lunch menu can be viewed on our school website [HERE](#) should you want to talk to your child about their food choices.
