A message from the staff:

What a busy term we have this summer!

A reminder that National Assessments take place the week beginning Monday 9th May 2022 – Thursday 12th May 2022.

During our last term in primary school, we will be enjoying lots of things including celebrating the Queen's Platinum Jubilee!

This term we will be learning...

Ancient Egypt

This term we will be continuing our learning around Ancient Egypt. We will be creating our very own Canopic jars and linking our English work with this to create a persuasive piece of writing!

In history, we will be learning about Egyptian food and the process of mummification. We will be exploring King Tutankhamun and learning about the discovery of his tomb.

In art, we will be creating our own papyrus paper. We are looking forward to helping the children prepare for secondary school.

In Science we will be learning about light, how it travels and how light gets to the eye.

Read more about the Queen's Platinum Jubilee [HERE](#).
