

# **The Primary** PE and sport premium

Planning, reporting and evaluating website tool

**Updated September 2023** 

**Commissioned by** 

Department for Education

**Created by** 

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider

the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need. Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA)

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated Primary PE and sport premium guidance.

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

## Breckon Hill Primary School Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

| Activity/Action                                | Impact   | Comments   |
|--|--|--|
| school and also attended by the children.      | Children experienced swimming, yoga, cup stacking, rock climbing, mini golf and many more activities to broaden their experiences. | Continue to look into local offerings for these opportunities in the next academic year.                 |
| Began our journey as a Creating Active School. | increased physical activity levels were present  | Continue next year with CAS as the first year has been really positive in promoting active school ethos. |
| After school club offer began to increase      | Activity levels increased and wider variety of activities have been on offer to children and increasing their opportunities.       | External agencies have enriched our offer to children.   |

# **Key priorities and Planning**

This planning template will allow schools to accurately plan their spending.

| Action – what are you planning to do  | Who does this action impact?                             | Key indicator to meet   | Impacts and how sustainability will be achieved?  | Cost linked to the action |
|---|--|---|---|---------------------------|
| Provide top up swimming sessions to children in KS2 who have not yet reached their 25m target.                            | Pupils<br>Families<br>Teachers<br>Teaching<br>Assistants | Key indicator 2 – Engagement of all pupils in regular physical activity. # Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

| Activity/Action                                      | Impact  | Comments   |
|--|---|--|
| Participation with Creating Active School Framework. | Lessons have become more active and engaging, children are ready to learn and are engage in an active way.  Staff have received training through this framework which has provided them with additional activities to promote on the playground to increase physical activity levels.  Staff members have increased in confidence and understanding of the importance of active children so much so that they have also trained playground leaders in each KS2 class.  Parents have attended engagement mornings where staff have explained the importance of being physically healthy. This was received positively and supported the Walk to School initiative. | everyone to take part and celebrated all children's efforts to become more active. We have taken free advice from the CAS  |
| Go Well PE Audit                                     | Areas of strength where identified alongside areas of improvement. This has formed our PE implementation plan for the next academic year and we have clear targeted focuses on what we want to achieve and when.  The Go Well PE audit has sharpened our focus for improvement. It has supported conversations about PE and allowed us to reflect on our achievements and   | Continue to well prepare the children for these events through PE lessons, playground activities and after-school clubs.  The audit has also given a steer as to the focus of staff development. We have engaged an expert to support staff in |

|   | ·   | developing their knowledge around teaching gymnastics.  |
|---|---|---|
| competitions attended has had many successes across the school. | athletics this year and we have had many individual children with sporting achievements at these events. Children have been resilient and showed excellent sportsmanship when representing our school. School | We are pleased to have been awarded School Games Gold award again. We have taken on board all the feedback from our external partners to strengthen out offer around PE and sport and activity. |

## **Swimming Data**

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| Question   | Stats: | Further context Relative to local challenges  |
|--|--------|---|
| What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?        |        | Mobility of children has meant we have had many new children to our school. Many children who have left our school will have received swimming lessons over the time they have attended our school. |
| What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? |        | Mobility of children has meant we have had many new children to our school.   |

| What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?   | 71% | 29% of pupils have been new starters in Year 5 and Year 6.  |
|---|-----|---|
| If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this? | Yes | We have provided swimming sessions to Year 2 as part of our offer for PE.  This year we have provided top up swimming sessions to our Year 5 progress class who are newer to the school and also provided sessions for children to learn to swim whereby families can take them within school holidays. |
| Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?   | No  | The staff at the swimming pool do give some guidance for staff but not additional training.   |
