Breckon Hill Primary School's Actions to Address the Cost of the School Day

Schools are asked to look at how they can make sure the school day does not put financial pressure on families. We currently have the following measures in place to help families with school costs.

Uniform is affordable. We have a selection of new and nearly new uniform items available from the Community Centre.

School trips and residential excursions are fully funded by school.

As part of our wider curriculum, after school clubs are free.

On Nationwide event days, we never ask the children to bring money. Our aim is to raise awareness and join in.

We sometimes ask children to bring an item for the foodbank at harvest time. We don't ask families to send children in dressing up costumes for World Book Day or wear red noses, instead we organise fun things in school to celebrate the day such as competitions and activities.
