Dear Parents and Carers,

Happy New Year to you and your family. I hope you have managed to enjoy a happy and safe holiday.

I am sure that you will have heard much in the media about current guidance for schools to follow with regards to the pandemic, however, I would like to share the following and request your continued support.

Please continue to send children to school if they are fit and well. If your child has symptoms of Covid, then please seek advice from 111 or 119.

Please know that all staff are encouraged to test themselves regularly and will be wearing face coverings when moving around the school building.

Primary aged children are NOT required to wear face coverings at any time, but parents/carers are welcome and encouraged to wear face coverings when on the school site.

Please also continue to avoid face to face conversations with staff; as always, please email the school or phone if messages need to be passed on.

Thank you for your continued support,

Mrs Smith

### Staffing

We say a fond farewell and give every good wish to Mr McCarten when he leaves us at the beginning of next month to start a new job and chapter in his life. We say a big thank you for all he has done for the children at Breckon Hill.

We have no teachers leaving but have increased the teaching staff through government funding available and so welcome new teachers Mr Linden who will be working in Y2, Mrs Ali who will be working in Year Reception and Mrs Mogie who will be working in Y6.

We welcome Mrs Brain a Higher Level Teaching Assistant who will be working in Y3.

### Attendance

Please remember **96% is the average** attendance for children. Once children drop below 90% please understand fines may be issued. It is essential that we have contact telephone numbers for parents and carers, if you change your telephone number please let the office staff know. Just a reminder that Headteachers may not authorise holidays in term time.

Well done to all the children who achieved 100% attendance last half term!
