Autumn 2023

### A message from the Chair of Governors

This term has seen us become part of The Legacy learning Trust. The Trust is governed by a Board of trustees known as the Trust Board, which holds overall responsibility and ultimate decision-making authority for all Trust-related matters. This includes the establishment and operation of the academies maintained by the Trust, known as the Academies. To support the effective functioning of the Trust and the Academies, the Trust Board has created several committees to which it has delegated specific powers and functions. <https://thelegacylearningtrust.org.uk/>

The Trust Board has established two different types of committees:

1. Main Trust Board committees, which handle Trust-wide issues such as resources, employment, finances, and standards (referred to as Trust Board Committees).
2. Local governing bodies (LGBs) established by the Trust Board to ensure the effective operation of the Academies.

Our LGB will meet once a term but we are still invited into school to understand the life of the school. The Chair of Governors from each academy school also meets with the Chair of the Trust .

We look forward to continuing to work with school to make sure we do all we can to make school a great place to be and that outcomes for our children are the best they can be.
