Spring

2024  
HAPPY NEW YEAR

### Message from the staff

Welcome back. We hope that you all had a lovely break.

We are very impressed with how the children have settled back into their learning. The children have been working hard in all of their lessons and are really enjoying learning about the local area.

The Year 1 team.

### Learning .....We are learning about our capital city-London!

We will be remembering the countries of the UK – Can you remember the names of the countries? Can you remember where Middlesbrough is on the map? Where is London on the map? We will be learning that London is a special city because it is a capital city and people come from all over the world to visit it. There are lots of landmarks that people recognise in London and we will be finding out more about some of them.

**We will also be** observing changes across the season and observe and describe weather we see.

### Reading books

Thank you for reading with your child every night and for making a note in your child's reading record.

How you can help - Please label all items of clothing, including your child's uniform and PE kit. Please can you make sure children have hats and gloves so we can enjoy playing outside. Many thanks.
