Additional comments

- As we are new to the teaching and schooling of this country we too as parents learning with him. We came to know that there are no books our son needs to take home, as in India they take it with them. We normally refer his note books to get an understanding about what he is learning in school. Hope after this meeting we will get an understanding about his class activities.
- My son is attending this school as well. If you have any doubts please go and see () and she will put you at ease. I am blessed that some of the same teachers who taught me are teaching my children as well.
- I want to know how my child works.
- We are just new to the school so we do not know much how school teaches our kids. That is why some of our responses are neutral. Hopefully, we will be better positioned to provide proper feedback next time.
- Brilliant school.
- No comment everything going ok. We are very happy about school. Thanks for all.
- Such a brilliant school. Throughout the pandemic when children and parents were scared and unsure, school kept spirits high and all the staff always had a happy friendly smile, very comforting to the children and us as parents. Thank you for being so great :)
- I am happy with the school's approach to learning. I believe the school will continually improve.
- No comments to add - the teachers and staff are all fantastic. Great job. Well done!
- I have noticed improvements in my child's ability to read words from printed material.
