Spring

Message from the staff

Welcome back to school for the spring term. We hope you all had a lovely break and wish you all a very happy new year. This term we want to encourage the children to be confident to try new activities and show independence, resilience and perseverance in the face of challenges. Parents can help by encouraging children to try new things and challenge themselves.

The year '2025' is displayed in large, glowing, golden lights against a background of soft, colorful bokeh.
