

BRECKON HILL PRIMARY SCHOOL

JUNE 2025 NEWSLETTER

HIGHLIGHTS

School Sports Week

We have a full week of sports activities to look forward to in June. Children will experience a range of fun sporting activities and are to wear their PE kits every day so they are ready to move, keep fit and have fun.

This year we are looking forward to welcoming spectators, to enjoy seeing the good work that goes on around PE in our school. Have a great week everyone!

Eddie The Penguin Saves the World!

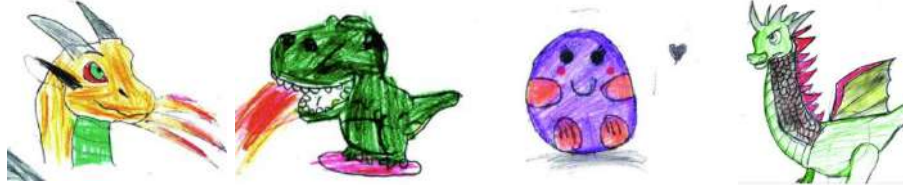

Well done to Year 2 for your amazing performances to families. You shared the important messages about looking after our planet. Thank you to you all.

Young Artists

Miss Donaldson's Art Club

Miss Donaldson, who leads our Art Club, recently entered the pupils into a competition entitled Mythical Madness! It was a fantastic opportunity for our children to unleash their creativity by designing and drawing their very own mythical creatures. They also had the chance to name their creatures and create imaginative backstories for them.

We're delighted that so many of these wonderful creations have been selected to be published in a book, which we're excited to receive in school very soon!

Year 6 SATs

A huge well done to our Year 6 children for their excellent efforts during SATs last week! They showed great determination and have worked incredibly hard—we couldn't be prouder of them all.

The Year 6 children have received their leavers' t-shirts—a special keepsake to mark their time at school! They are welcome to wear them for PE lessons only as they enjoy their final weeks with us.

Jack and the Beanstalk!

Please look out for tickets for our Year 1 Play which will be sent home by class teachers.

REMINDERS

In warm weather, children are welcome to bring a hat and suncream to school. Please ensure that suncream is clearly labelled and handed directly to a member of the class staff.

Don't forget!

Half Term Holidays:

**Monday 26th May -
Friday 30th May**

Don't forget we have just 1 week at half term this year!

Reception and Year 1 enjoy learning all about the farm!

Year 6 STEM Day - 27th June

We are looking forward to seeing children designing and building a rescue winch.

TTLT Sport Festival

Year 5 children had a great afternoon making friends across other trust schools with an afternoon of sport. Well done for great attitudes and representing our school so well. As always, we are very proud of you all!

Keeping Safe

Thank you to Cleveland Fire Service this month. The important messages about keeping ourselves safe, are much appreciated!

SAFETY FIRST

School Climate Action Plan Update

- This month has seen works on adding solar panels to our school roof completed.
- We are also all now aware of the importance of recycling in school and know exactly how to sort our rubbish. Well done everyone!
- A special well done to the Year 2 children for amazing performances in their play Eddie Saves the Planet! It was great to hear important messages through this great story!
- We have completed our National Education School Mapping which will support our curriculum planning in this area around sustainability.

New to School

Next half term, Reception teachers will be meeting parents of children due to start Reception in September. Parents will receive an appointment time to come and learn more about our school.

Showcasing Singing

Good Luck Year 3 pupils who will be attending a music festival at Eston Sports Centre this June. We love music at Breckon Hill and we are looking forward to meeting up with friends at this summer concert!

Staff News

This month, we say farewell to Miss Greensmith as she moves on from Breckon Hill Primary. We are grateful for her hard work and we wish her well as she starts a new chapter.

Congratulations to Mrs Holmes and her family on the safe arrival of her beautiful baby boy, Oliver! We send them our best wishes.

Attendance Class Money Boxes

During the summer term, every time the whole class attend school for 96% or more the class receives £10 in their class money box. If they fall below 96%, they receive the amount in pennies. E.g. 92% attendance = 92p. At the end of term, the children get to decide how to spend their class attendance money. In the last few years the children have decided to do all sorts of fun things for example: have a pizza party, go to the mini-golf, take a picnic to the park. Everyone gets to join in. Thank you for making every effort to come to school every day.

Attendance - May 2025

Leave of Absence

Head Teachers may not grant leave of absence during term time unless there are exceptional circumstances. Please note, visits to shops, hairdressers and visits to family abroad are not exceptional circumstances.

Please don't book your holiday during term time.

Please know that we must follow guidance for taking time off for holidays in term time.

Where families do not complete a leave of absence request form before they take time away from school, this becomes a safeguarding concern and we must refer the missing child/children to the Local Authority. Please make sure we know where your child is if they are not in school.
