

BRECKON HILL PRIMARY SCHOOL

JULY 2025 NEWSLETTER

As we approach the end of the academic year, I would like to thank pupils, staff, parents governors, TLLT Trust colleagues and all involved in the life of our school for the support, kindness and hard work in making Breckon Hill such a lovely place to learn and work. I wish staff moving on to pastures new all the very best, and we all want to say good luck to our Y6 pupils as they start their next adventure. We are privileged to have been part of your journey and will be keeping you in our thoughts and prayers as you move into your secondary schools.

Don't forget- work hard, be kind and go to school every day!

The grant will support us in purchasing digital printers, robotics kits and more. Thanks to Miss Abulafia for her great work in ensuring our children are given such fantastic opportunities with computing.

Book Competition Winner!

School Climate Action Plan Update

A big thank you to Miss Brown, who has successfully secured our school a place in the Climate School 180 programme with Learning through Landscapes. This exciting opportunity means that both staff and pupils will receive training and support to help embed sustainability and climate change education into our curriculum. We are looking forward to working with the team to develop this important work.

School Gardening Club

Well done to Y4 who have started a school gardening club. They are busy growing vegetables and flowers and making an area of school that needed a spruce up a lovely spot to sit and enjoy! Thank you to everyone who has donated plants and tools, especially friends and family of pupils and staff, it is much appreciated.

Refugee Week

As part of Refugee Week, our Y4 pupils attended Teesside University for a special Tees Valley day of dance combined with humanitarian education from the British Red Cross. The children learned about the vital work of the Red Cross and how we can support refugees who arrive in the UK.

Throughout the day, they participated in a variety of dance styles. The children had a brilliant day.

This event promoted a sense of togetherness and celebration across schools and communities. It was a meaningful and memorable experience for all involved.

Poetry by Heart

What is Poetry By Heart?

Poetry by Heart is a national poetry speaking competition for schools and colleges in England. It's also a website for teaching and learning about poetry – by heart and out loud, and with plenty of choice for young people to explore poems and find the ones that speak to them. Taking part in Poetry By Heart is all about developing confidence with poetry in an enjoyable and engaging way. We are so proud of our pupils who were awarded beautiful certificates with personalised feedback for their great performances.

Congratulations to:

Jessica, Brooke, Ayooluwa, Shehreeda, Asnaa, Alvin and Arnav!

A special well done to Praise who was awarded Best in the County! A brilliant achievement.

The Breckon Hill Freestylers were also Highly Commended! Thanks to Mrs Cairns for her good work in preparing and entering pupils in this national competition!

To make you smile...

One of our Y3 pupils has this lovely cat at home, the cat enjoys going to the beach with the family!

TERM TIME HOLIDAYS

School attendance is mandatory for all pupils. Please plan holidays around school breaks and avoid seeking permission to take children out of school. Holidays during term time will not be authorised. Fixed Penalty Notices are being issued by the LA.

Invacuation Practice

We have explained to children that sometimes we might need to stay inside the school building for a number of reasons. Staff have taken time to talk to pupils about invacuation procedures and explain why they're important, just as we do when we practice evacuation of the building. Staff will reassure pupils after the drill that they are safe. The DfE recommends that schools practice this procedure at least annually.
