Autumn

Message from the staff

Welcome to Hills. We look forward to watching your children grow and learn. We have had a very exciting start to our year learning all about trains and we have already enjoyed a lovely picnic. If parents have any questions, please don't hesitate to contact us.

Best wishes,

Miss McMain, Miss Simpson, Mrs Aslam, Mrs Rafiq, Mrs Wilson

Learning

This term we will be using the story *Oi! Get Off Our Train* as the starting point for our learning about trains and the historic Darlington to Stockton Railway.

Life Skills: We will focus on train safety and how to cross the road safely.

Food Preparation: The children will develop practical skills by learning how to make sandwiches, pizzas, and vegetable batons

English & Maths: Lessons will be tailored and adapted to suit each child's individual ability and learning needs.

Wider Curriculum: Geography, History, Science, and Design Technology will be taught through each child's specific year group topics.

PE Days

PE will be on Thursday. The children can come into school in their PE kits.

Reading books

Please read with your child every night and make a note in your child's reading record. The children will all be given a reading book and a reading for pleasure book to share with you.

Homework

Your child will be given homework each week. The homework will be available under the Activities tab on Seesaw. If you need any help with logging on, just let a staff member know, we are happy to help.

How you can help

Please label all items of clothing, including your child's uniform and PE kit.
