### Spring Newsletter—Year 6

As we start the new year, we would like to welcome new children to our classes. We have a busy few months ahead. We will be holding meetings to tell you more about the end of Key Stage assessments, so please look out for letters to follow.

Should you have any questions, please see us at the end of the day, phone or email and we will get back to you. The Y6 Team

#### What are we learning about this term in Year 6?

This term, Year 6 pupils will be focusing on consolidating their learning and preparing for their **end of Key Stage assessments (SATs)** in **English** and **Maths**, while continuing to enjoy a broad and balanced curriculum.

In **English**, children will develop their writing skills by producing **balanced arguments** and creating a **suspense story**, focusing on structure, vocabulary choice, and grammatical accuracy. In **Reading**, pupils will read a wide range of texts from different genres and will practise answering questions that develop their **retrieval** and **inference** skills.

In **Maths**, we will continue to strengthen **arithmetical skills** to build confidence and accuracy. Pupils will also learn more about **fractions, decimals, ratio, and proportion**, alongside regular opportunities to complete **reasoning and problem-solving questions** across all areas of Maths.

In **Science**, children will be learning to **identify and name the main parts of the human circulatory system**. They will describe the functions of the **heart, blood vessels, and blood**, and will have the exciting opportunity to **dissect a heart** to see the different parts first-hand. Pupils will also learn about the impact of **diet, exercise, drugs, and lifestyle choices** on how the human body functions.

#### Things to remember...

##### PE Days

Y6H—Monday and Wednesday

Y6A—Monday and Wednesday

Y6F—Wednesday and Friday

Please wear suitable PE clothes on these days.

Thank you for your continued support

- Please put your child's name on ALL of their clothing
- SATS Week 2026 is Monday 11th May to Thursday 14th May
- Please be on time every day for school!
