Arbor Parent App

Dear Parent/Carer,

We are writing to inform you that bookings for Parents' Evening will now be made through our new Arbor Parent App which is easily accessible on your phone or tablet.

To book a Parents' Evening appointment, you will need to register for the Arbor Parent App using the QR code below. Registration can only be completed using the email address we currently hold on file for you. Simply click *Forgot your password?* to finish setting up your account. If you are unable to access the Arbor Parent App using the QR code below, please go to <https://login.arbor.sc>.

If you have difficulty registering or have changed your email address, please contact the school office who will be happy to help.

Please note that the Arbor Parent App will also be used to send important messages and updates from school. Parents who do not register may miss out on this information as well as the ability to book Parents' Evening appointments.

Further details regarding Parents' Evening bookings will be shared with you next week.

Thank you in advance for your cooperation and support.

Yours faithfully,

Mrs Smith

Headteacher

Scan the QR code to download the Arbor Parent App, and use your email address to log in
