18TH MARCH!

we music

Following our Snappy Christmas event with our Y4 children, we are excited to be joining lots of other schools across Teesside with Snappy Spring to all KS1 children. Snappy Spring is a regular favourite, and we look forward to seeing KS1 teachers and children again, ready for plenty of spring chicken fun.

Snappy Spring will bring many schools together for a workshop rehearsal and a 30 minute performance to parents.

Flagship School

Our commitment to inclusion remains steadfast please see the following words from the assessor...

"Teamwork is a theme that is embedded in the school, with many conversations witnessed during the assessment day that showed, not only that every member of staff knows the children they teach, but that they know the story of the family and the culture to which they belong. One child, having only been in the UK for one year, spoke with impeccable English about being welcomed into the Breckon Hill family. When asked how he felt school had helped him to navigate the change into a new country, he seemed confused - his 'normal' had been that of complete and encompassing compassion: 'Of course, school helped me, I never, ever, felt alone.' The school walks alongside all, when in need."
