A big thank you to:

Esh Housing, Costain (Engineering Solutions) Dorman Museum, Virgin Money, Everyone Active, Southshields Marine College, Cleveland Police, One IT and PLUGZZ (3D printing) for joining us this March for our second careers day in school.

Imagine a career helping others to keep fit and healthy!

A career saving lives and helping others makes a difference.

A career in technology might be a great job for me!

I want to help people!

We like the uniform, especially the helmet!

This career takes people all over the world!

My design is coming to life on the 3D printer!

The lady from Esh told us all about building, you have to be good at maths!

We have to be good at working as a team!

There is such a lot involved working in a museum!
