## Summer

### Message from the staff

Welcome back. We hope that you all had a lovely break. We welcome Miss Bonham to the team as class teacher.

We are very impressed with how the children have settled back into their learning. The children have been working hard in all of their lessons and are really enjoying participating in exciting learning opportunities.

The Hills team.

If parents have any questions, please don't hesitate to

### Learning

This term, we will be using the traditional tale 'The Three Billy Goats' in our English lessons. We will be making goat and troll masks which we will use to help us act out the story with our friends. English and Maths lessons will be adapted to meet each child's individual needs and abilities.

In Food Preparation lessons, the children will be learning how to make food themed around Summer recipes and we will explore making dishes from Australia. During Life Skills lessons, we will be focusing on daily routines and using money in role play situations.

Children will also be taught Geography, History, Science, Art and Design Technology through their individual year-group topics.

### PE Days

PE will take place on **Thursday**. Children may come to school dressed in their PE kits on this day.

### Reading Books

Please read with your child every night and record this in your child's reading record. Each child will be given a reading book and a 'reading for pleasure' book to share with you at home.

### Homework

Homework will be set weekly and will be available under the **Activities** tab on Seesaw.
